PROFESSIONAL SUMMARY

B.Tech Computer Science Engineering student (7th semester) with a CSE diploma, seeking an entry-level Python Developer role. Built two database-driven web applications using Python, Django, MySQL, HTML, CSS and JavaScript, covering CRUD operations, user authentication, data validation and backend logic. Completed two internships: a 45-day summer internship in Python with Django (2022) and a technical internship involving UI design in Figma and project documentation. Strong foundation in OOP, DBMS and SQL, and eager to contribute to backend development.

TECHNICAL SKILLS

Languages: Python, SQL, JavaScript
Framework: Django
Web Technologies: HTML, CSS, JavaScript
Database: MySQL
Tools: Git, GitHub, VS Code, MySQL Workbench
Core Concepts: OOP, DBMS, CRUD Operations, Exception Handling, File Handling, Database Connectivity, Backend Development

PROJECTS

TailorTrack – Tailoring Management Web Application *Python, Django, MySQL, HTML, CSS, JavaScript*

- Built a web application to manage customer details and tailoring orders using Django and MySQL.
- Developed backend logic to add and manage customer records (CRUD operations).
- Implemented order status tracking from order placement to delivery.
- Connected HTML/CSS/JavaScript pages with the Django backend for database operations.

NouE-Gyan Portal – Educational Web Application *Python, Django, SQL, HTML, CSS*

- Developed an educational web portal using Python, Django and a relational database.
- Implemented user authentication and database connectivity.
- Added data validation and backend logic for handling structured data.
- Designed responsive web pages using HTML and CSS.

INTERNSHIPS

Intern – Technical Domain, Talking Crooks IT Pvt. Ltd. *[01/07/2026 to 03/09/2026]*

- Designed a UI concept for a tailoring management application using Figma.
- Prepared project documentation and gap analysis.
- Completed assigned tasks and submitted project deliverables.

Summer Intern – Python with Django, Softpro India Computer Technology Pvt. Ltd., Lucknow *2022*

- Completed a 45-day summer internship in Python with Django during diploma.

EDUCATION

B.Tech – Computer Science Engineering *2024 – 2027*
Maharishi University of Information Technology, Lucknow

Diploma – Computer Science Engineering *2021 – 2024*
Board of Technical Education, Uttar Pradesh
